

Headteacher's Introduction

Dear Parent / Carer

This week Team Eigg have been impressing us all with their commitment and resilience in preparing for their NiddVenture expedition to the remote Scottish Highlands on the beautiful island of Eigg. In their assemblies they have shared with the whole school a fantastic video of their mountain biking skills, alongside information about where Eigg is and what walking, cycling and environmental activities they will be involved in. They also shared some photos of the amazing scenery and quirky accommodation (including a shower in a telephone box).

This week Mr Day's Year 9 Geologists and the GCSE PE rock climbers have also continued to enjoy the benefits of our NiddVenture offer.

We have been really pleased to welcome some of our new students into school this week as part of their extended transition. We look forward to inviting all of our new Year 7s into school next week.

Kath Jordan, Headteacher

Summer Stalls Event – 6th July

This event will be run by the Student Leadership team and will take place on 6th July. It will showcase our talented students including a musical ensemble, book stall with reading mentors, pre-loved uniform, arts/craft stall, and raffle with a chance to win prizes. Proceeds from the Summer Stalls will go to our chosen charity Epilepsy Action and towards 'Investing in our Future' raising money for new outdoor school equipment. Any home-bake donations would be appreciated, please bring into school on the day and leave at reception.

Nidderdale High School Summer Stalls Thursday 6th July 4.30pm

Senior Students at Nidderdale High School
look forward to welcoming Year 6 students
and their families and friends.

Please ensure your child has funds on their account

Mr Vass, Catering Manager

Has your child outgrown their uniform? Any uniform donations, especially ties, blazers and pleated skirts would be gratefully appreciated.

Please send in to Reception for the Pastoral team.

Mrs Ashton

Well done to Mr Mangeolles who was placed third in the Male Open 'Iron' 3.8 kilometer Epic Lakes Ullswater Openwater Swim on 4th June 2023.

The Aquasphere Epic Lakes Swim Ullswater started in Glenridding, which provided a stunning backdrop for the event. Races were either 500m, 1 mile or the 'Iron' 3.8k distance.

Duke of Edinburgh – Silver Award Expedition

An especially beautiful few days in the Lake District with a great bunch of students... They really looked after each other, showed great resilience, determination, enthusiasm & respect. Lovely to see their appreciation for the beauty of the Lakes and also their embracing of the full expedition experience - our evening swimming sessions being one of the highlights! Also, very nice to hear them expressing to us their gratefulness for this opportunity. All in all, Silver D of E has been a great success for this group.

Miss Tuffs

Staff & Student – Bat & Chat

Table tennis sessions take place every Monday in the sports hall after school from 15:15 till 16:20. A qualified table tennis coach leads these sessions until the end of the academic year. Come and try out our 6 brand-new table tennis tables!

Mr Barrass

10 reasons to play

- 1 It's good for your health**
As little as 10 minutes of table tennis at a time can do wonders for your fitness.
- 2 It's easy on the body**
Table tennis is a non-contact sport (just make sure you move in doubles!) You can play within your own capabilities and limitations and still have a great competitive game.
- 3 Everyone can play**
Table tennis is a truly inclusive sport, anyone can play irrespective of age, physical ability or gender. And it's a great socialiser. There's so much more to the game than sheer strength or power.
- 4 The Generation Game**
There are no age barriers to ping pong, anyone from 3 to 100 can enjoy the game!
- 5 You can play anywhere**
Clubs, sports halls, offices, factories, caravans, cafes, pubs, homes, gardens, parks, clubs, community centres, shopping centres, sports halls, religious centres, village halls, train stations, the list goes on and on! (and on and on...)
- 6 You can play anytime**
Ping pong can be played all year round indoors or outdoors, for an entire evening or just in your lunch break!
- 7 It's good for your brain**
FACT: Ping pong is good for the brain. It aids complex thinking and increases the cortex (the part of the brain which shrinks with age). Not only that but regular activity can reduce depression, stress and anxiety levels while improving self-esteem.
- 8 It's affordable**
You don't have to spend a fortune playing table tennis. Basic equipment is cheap and so too is table hire. You can play for free on the PNCZ tables www.pncz.org.uk and there are loads of social club sessions which are really affordable to join!
- 9 It's sociable**
Table tennis brings people together. Have a game with your friends, make some new ones or get to know your colleagues with a friendly game of ping pong!
- 10 It's fun!**
By the game - we guarantee you will share joy and laughter!
