

Trouble logging into Arbor?

It is common for Arbor to prompt users to reset their password as part of routine security. Please follow the steps below.

1. Visit <https://nidderdale-high-school.uk.arbor.sc/>
2. Log in using your school email and password
3. Follow the on-screen instructions to reset your password if prompted

If you have forgotten your password, select '**Forgotten password**' and reset it using your school email, or see **Mrs Murgatroyd** at breaktime for assistance.
